

Dear Colleague:

On behalf of Safas Corporation, we would like to extend an invitation for you to attend one of our GRANICOAT®WORKSHOPS being held in Clifton, NJ. These Workshops feature detailed presentations concerning the use of GRANICOAT® in the woodworking industry. Along with these presentations will be various “Hands-On” demonstrations, illustrating both the various steps and methods of fabrication using GRANICOAT® as well as spray equipment familiarization. Following these demonstrations will be an extensive discussion period where you are invited to ask questions and interact with the Workshop facilitators and demonstrators.

Enclosed please find the agenda for the Workshop, along with a reservation form, hotel and transportation information. Once you decide to attend the Workshop, simply fill out the application form and either mail or fax back your response to Safas AS SOON AS POSSIBLE.

A **fee of \$250 (US Dollars)** is required to guarantee your space and ensure your attendance at the Workshop. If you fax in your reservation form, your space will not be guaranteed until receipt of fee. Confirmation of registration will either be faxed or mailed upon receipt of fee. Cancellations and refund of fee must be made in writing at least **5 days prior** to the Workshop date. Absence from Workshop or cancellation made less than 5 days written notice will result in the forfeit of fee.

Because of the in-depth nature of the program, space is **LIMITED** to small groups. Applications will be accepted on a **FIRST COME** basis. A set number of hotel rooms are blocked for Safas’ guests until **2 WEEKS PRIOR** to the event. We encourage you to make reservations without delay. Please note transportation will be provided to you, free of charge, from hotel to Safas’ facilities. There is also a discontinued limousine service to and from the airport. See enclosed hotel & transportation information.

We look forward to having you attend a very enjoyable and informative Workshop. We are sure you will find the Workshop to be informative and professionally rewarding. Feel free to circulate copies of our program to colleagues you feel will benefit from this Workshop.
